Festive holiday celebrations are around the corner so it's time to tackle that gift list! Get in the spirit and let Corazón help you choose just the right piece for the special people in your life: friends and family, teachers, baby sitters, and others.

Corazón Sterling Silver from Taxco has teamed up with Memorial Hospital to bring you a **12-hour**, convenient shopping experience. We'll have our full collection of artisan-crafted sterling silver jewelry available for you to try on and to purchase. Our staff will be on hand to help you select the jewelry designs and finishes that best suit your own unique style.

Your friends are welcome too—the show is also open to the public. **For Beacon Health System employees, payroll deduction is available.**
